

@Silver Falls Library District

To support, encourage and foster access to Silverton area talent, Silver Falls Library District is creating a Local Indie @ SFLD collection. This collection features donated books, music and films from local independent authors and artists.

Items included in the Local Indie @ SFLD collection must meet the following guidelines:

- At least one copy of the material must be donated to SFLD.
- Donated materials become the property of SFLD, subject to SFLD 's Material and Selection Policy. *Note: donated items not added to our collection will be given to the Friends of the Silver Falls Library*
- Donated items which do not circulate regularly may be withdrawn from the collection after one year.
- Regardless of genre, all items in this collection will be labeled as "LOCAL" and include the name of the author, band/musician or director.
- At this time, SFLD does not have a platform for accepting or circulating self-published eBooks or other digital content.

To **donate** self-published or independently published books, CDs or DVDs to this collection, please complete the form below and include it with the donated item/s.

Your copy of this completed form may be used as a tax deductible receipt.

Donations should be clearly marked "**Local Indie @ SFLD**" and may be dropped off at the library or mailed to Collection Development, Silver Falls Library, 410 South Water St., Silverton, OR 97381.
